

CLEAN AMENDED PARAGRAPHS/SECTIONS/CLAIMS

In the Specification:

Please amend the Specification at page 1, lines 1- 2 to replace the title "ENTERTAINMENT SYSTEM, ENTERTAINMENT APPARATUS, RECORDING MEDIUM, AND PROGRAM" with the following new and more descriptive title, --ENTERTAINMENT SYSTEM, ENTERTAINMENT APPARATUS, RECORDING MEDIUM, AND PROGRAM PROVIDING COLOR CODED DISPLAY MESSAGES --.

In the Claims:

Please add the following new claims 13-19. Therefore, claims 1-19 remain pending in the subject application.

13. (New) The entertainment apparatus as claimed in claim 1, wherein the message displaying means is configured to determine if a predefined action has been performed, and to display a first word of the same type in meaning in said message in an alternate color.

14. (New) The entertainment apparatus as claimed in claim 1, wherein the displaying of the message includes displaying the message on said display monitor such that the color of a word of the type in said message is dependent on previous manual control requests.

15. (New) The entertainment apparatus as claimed in claim 6, wherein the words of the same type in meaning in said message are displayed in a first color when events have not occurred and the words of the same type in meaning in said message are displayed in a second color when the events have occurred.

16. (New) The entertainment apparatus as claimed in 6 wherein the displaying of the message includes displaying the message on said display monitor such that words of the same type in meaning in said message are displayed in one of two colors, where a word is displayed in a first color of the two colors if an action has transpired.

17. (New) The recording medium as claimed in claim 7, wherein a first word and a second word of a first type are displayed in a first color if a first event and a second event, respectively, have not occurred, and the first word of the first type is displayed in a second color if the first event has occurred.

18. (New) The entertainment apparatus as claimed in claim 17, wherein the second word of the first type is displayed in a second color if the second event has occurred.

19. (New) The entertainment apparatus as claimed in 7 wherein the displaying of the message includes displaying the message on said display monitor such that the color of a word of the type in said message is changed if an action has transpired.
